Carrying the Hope: *Wayne Urbaniak*

When people we care about are facing challenges or difficulties, how can we help them carry the hope? We will discuss how hope is active, not passive, how hope has muscle, how hope transforms our minds. We will fantasize about a future which fulfills and goes beyond our hope. This interest group will be scriptural, practical, and imaginative. Join us and add your perspective to the important concept of carrying the hope with one another. *******REPEAT SESSION ON SAME DAY*******

Prayer is the Key to Heaven - Faith Unlocks the Door: *Dawn Kersula*

Ever wondered what God thinks when He hears you calling Him? Frustrated because you don't know where to start? Open your own heart to a new relationship with the God you love.

*******REPEAT SESSION ON SAME DAY*******

Hookup Culture, Same-Sex Marriage, and the Collapse of Religion in the West: *Carrie Miles*

The fastest growing family unit throughout the world today is a single woman with children and multiple, temporary sexual partners. The fastest growing religious group is the "nones," people who have no religious affiliation at all. This workshop shows the relationship between these two facts of life and demonstrates how the failure of churches to provide realistic answers to problems of family and sexual relationships has resulted in the growing numbers of religiously-disaffected young.

Jesus and the Eyewitnesses - They Really Saw Him: *Jarrett Skorup*

For hundreds of years, a debate has raged about how the life and lessons of Jesus came to be written down. Skeptics have maintained that we can't really trust the Bible, but new evidence have arose backing up the accounts Christians have from antiquity. This study will discuss the latest evidence confirming that we can really trust the Gospel accounts.

Are You Following The Last Command of Jesus Before He Ascended into Heaven? *Barry & Judi Wineroth*

Matthew 28:19-20 is the last command Jesus gave to his followers... are you doing it? Come and hear about many different opportunities to reach out to the world, either by going, praying, or giving. See a time-lapse video of the houses we build in Mexico, see the items that are made there by Oaxacan Mexican women. Watch a video about the orphanage you could be involved with. Hear stories of the miracles that God is doing in areas where the people have nowhere to turn except to God. Barry and Judi Wineroth will be sharing some exciting ways you can be part of fulfilling Jesus's last command to us as believers.

Eat, Drink and Be Merry! *Alex Allen*

Eat, Drink and Be Merry! For the Lord wants us to enjoy his beautiful Creation. "Enjoy life with the woman whom you love all the days of your fleeting life which He has given to you under the sun; for this is your reward in life and in your toil in which you have labored under the sun. Whatever your hand finds to do, do it with all your might; for there is no activity or planning or knowledge or wisdom in Sheol where you are going." Ecclesiastes 9:9-10 A look at our place in the Creation, and why we are placed in it.

The BCC Bookclub - Taste and READ That The Lord is Good:

Leah Downey & Faith Schwebke

Love reading? Like refreshments? We are taking your favorite aspects of a bookclub and bringing them to the Berean Christian Conference. We are going to discuss some of our favorite books - books that have pointed us towards God, helped us to learn more about Him, or about ourselves in Him. Think about some of your own favorites and join us to share them as well!

Be the Miracle: *Ruth (Czohara) Schwartz*

In our lifetime God has presented each of us with many opportunities to make a difference in this world. What is it that is important to you as an individual, as a family, as a community, or as a church group? Journey with me and learn how one heartbreak became a mission and a life-changing experience to become HeartLand Children's Home.

Interest Group Descriptions

Tuesday, 10:30 a.m. - Noon

Finding the Right Words: *David Elliott & Andy Weeks*

One of the strengths of BCC is the fact that we all contribute to serving the conference. One of the ways in which we serve is through the sharing of messages to the conference. As the committee prays about people to speak at the conference it is clear that not many people have been trained in how to give a sermon. If you have spoken at BCC and/or want some tips on what makes for a quality message, then please join us for this discussion. Giving a sermon is not the same thing as giving a speech or sharing a business presentation, and we want to help you to find the right words to glorify God in what you share.

The Journey of Knowing Him: *Doug Famous*

We will explore and discuss the Christian journey of knowing Him. Our discussion will challenge and encourage us through Biblical and current day scenarios to further grasp God's love for us. Along with this, we will identify obstacles that get in the way to tasting and seeing more of His goodness.

Restless - Because You Were Made For More:

Brooke & Nita Oftedah

Do you feel like you're missing something? Because we do. What if this feeling wasn't a bad thing? Using the story of Joseph the dreamer, we'll explore how all the threads of his life fit into the greater story of God and how our stories can do the same.

Humility is Number One: *Clare & Dick Ostwald*

"Humble yourselves before the Lord, and He will lift you up." (James 4:10, NIV). Join us in exploring God's response to pride and humility, humility examples of Jesus, and scriptural examples of putting humility into our lives.

Staying on the Journey: *Jonathan Ziegler*

We often think about the problem of young people leaving their faith. We also struggle sometimes to be sure of our own. We may be faking it or pretending. Let's talk about our faith in Jesus as a lifelong journey with ups and downs and explore how we live that out in a way that can help others join in! We'll consider six stages in the life of faith and consider how God might move you from one to the next.

Interest Group Descriptions **Wednesday 9:45 a.m. - 10:45 a.m.**

A Biblical Guide to Stress & Worry: *Jeff Cannon*

So much of our life is fraught with uncertainty, causing stress and worry, often so much that it consumes and controls us. We will look at what the Bible tells us about stress and how as believers we are to deal with life's uncertainties and at practical life applications of how we can fight stress. *******REPEAT SESSION ON SAME DAY*******

Who Me? A Sinner? *Tracie Elliott*

Since I grew up in a Christian home and accepted Jesus at a young age, I actually have had difficulty identifying my sins. Confession isn't a regular part of my spiritual routine. Sound familiar? In this workshop we'll discuss our sinfulness: how to see it, feel it, regret it, then how to accept forgiveness for it and freedom from it. If you've ever sinned and didn't know it (or even if you did), this workshop is for you!

A guided discussion of struggles and victories in parenting. We will share scripture that encourages, "Ah-ha" moments, and talk about navigating the balance of holding on and letting go in parenting all ages.

Christian Themes in the Cinema -

Star Wars: The Force Awakens: *Matt Jensen*

The movie-going experience is not only what the film makers put into the movie, but also what we can take out of it. We will compare clips from the movie to Biblical text and discuss topics such as good and evil, and parallels between the force and elements of Christianity.

"What is That in Your Hand?" or, "See What God Can Do With What You Have": *Lynnette Larson & Lois Spano*

Like Moses, when he was chosen to lead Israel, we may be reluctant to embrace the task we're given, feeling inadequate and unsure. Come join the discussion exploring the vast power of God to transform us and use our meager resources to accomplish His will.

If You Need Anything, Just Call: *Kathie Raymond*

Galatians 6:2 "Carry each other's burdens, and in this way you will fulfill the law of Christ." Have you ever wanted to help a loved one in a crisis situation, but just didn't know what to do or what to say? You want to help, but the ideas do not come easily - so you toss out a cliché. In our workshop discussion, we'll explore some of the best ideas and words to use to help others in crisis situations - whether health, finance, emotional, or grieving.

The Sin of Moses: *Larry Urbaniak*

Moses was not permitted to enter the Promised Land (Deuteronomy 32:48-52). Numbers 20:1-13 records the incident of Moses' sin. What was so bad about Moses' striking the rock? What exactly was his sin? Why did God consider it so serious? What is the lesson for us?

Powerful Words

Whether texting or talking, tweens and teens use thousand of words each day - with the possible exception of some seventh grade boys whose random grunts to your questions require divine interpretation! But do they recognize the incredible power of their words? Are they searching for opportunities to use their words in ways that honor God and point other people toward Jesus? Are they building lives on the foundation of the reliable, trustworthy Word of God?

Teen Program: *Cheryl & Pedro Peterson*

Sunday - Friday, 9:00 a.m. to Noon, Hall of Arts & Letters

Do Hard Things

What does the Bible say about doing hard things? We'll examine it, as well as use concepts from the book, "Do Hard Things" by Alex & Brett Harris.

How to do hard things that...

Sunday: ... take you out of your comfort zone.

Monday: ... go beyond what's expected or required.

Tuesday: ... are too big for you to do alone.

Wednesday: ... don't pay off immediately.

Thursday: ... go against the crowd.

Friday: Putting it all together.

Come ready to study, share, learn from each other, team build, and learn to do hard things.
